Thank you for choosing to take up Gymnastics! This holiday program caters to children of school age, from 5-12yrs old. Over the course of the day, children will take turns on all of the specific artistic gymnastics equipment we have to offer. An exciting day full of fun activity, kids will also get to experience the giant trampolines, foam pits and challenge themselves at the high ropes. We have anything from bars, to beams, tumble floors and more! Kids will play team games, board games and other quieter activities at other times during the day to rest. Sometimes G rated movies are screened over lunch time. There is plenty to do, explore and learn here at AAG!

Competitive Squads Information:

Our competitive programs have an opportunity during the school holidays to continue their training, maintain fitness levels and have additional time in the gym to up-skill. This time in the gym provides a special opportunity to gain extra confidence on those tricky skills that may need extra time, care and attention. Depending on the season, the school holidays also provide time to brush up and fine tune skills and routines that need the extra pre-comp work and of course there is always the time for a some fun in the gym with friends too! We highly recommend all squad gymnast to consider Holiday training and advise booking early.

What to Bring:

Participants can choose to wear what is most comfortable for them. They may choose to wear a T-shirt and shorts or tights/leggings or trackpants. Please avoid dresses/skirts.
